

# Woodford CE Primary School

We have been very busy at school getting ready for those who will be returning soon, to make sure everyone keeps safe. Some things are the same and some things will be new but we thought you might like to have a little look.

## Key Stage Two

KS2 children will be in Morpurgo classroom. You will come in through Mrs Fennell's door, straight into the classroom. In there you will have a table each but will still be near your friends. You will also have your own tray on your table with all the things you might need through the day like your pens, pencils, drinks and lunchboxes.

## Key Stage One

KS1 children will be in Ahlberg classroom. You will enter through Mrs Holdsworth's door as normal. You will also have your own table near your friends with your tray on. You will also have your own carpet tile that you will choose and then use when it is carpet time.

## Early Years and Foundation Stage

Nursery and Reception children will use the Blue Room and also the Outdoor Area. Inside, there are places to sit and work at when completing activities with your friends. There are some spaces with the coloured tape that we will keep clear.

## Wet Areas

When you come into school the first job will be to wash your hands. If you use the sink in the wet areas, there are places to wait until it is your turn and only one child can use the toilets at a time.

## **Belongings**

If you do need to bring a coat, you will keep it on the back of your chair but you don't need to bring any book bags or rucksacks; You just need your lunch and a hat if it is very sunny or a jacket if it is not.

## **Break Times**

We will have lunch in our classrooms and we will take turns for each group to go out for playtimes. We will need to make sure we wash our hands regularly throughout the day.

## **Home Time**

When it is home time, you will use the same the door you came in to meet your parent.

We look forward to seeing you soon.
