

# Evidencing the Impact of the Primary PE and Sport Premium

Website Reporting Tool  
Revised November 2019

Commissioned by

Department  
for Education

Created by

YOUTH  
SPORT  
TRUST

It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) (Ofsted 2019 p64) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education criteria](#) (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and Sport Premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](#) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils’ PE and sport participation and attainment by the end of the summer term or by **31<sup>st</sup> July 2020** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2020. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Key achievements to date until July 2020:	Areas for further improvement and baseline evidence of need:
Implementation of Real PE within school.	To encourage more children to participate in after school sport. Uptake of clubs offered was low.

Meeting national curriculum requirements for swimming and water safety.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? <b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.	Unknown
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	Unknown
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	Unknown
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	N/A  Due to COVID 19 outbreak and subsequent lockdown, swimming data could not be collected

## Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

<b>Academic Year:</b> 2019/20		<b>Total fund allocated:</b> £		<b>Date Updated:</b>	
<b>Key indicator 1:</b> The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school					Percentage of total allocation:
					%
<b>Intent</b>		<b>Implementation</b>		<b>Impact</b>	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:		Make sure your actions to achieve are linked to your intentions:		Evidence of impact: what do pupils now know and what can they now do? What has changed?:	
Increase engagement in PE lessons		Funding used for replacement of outdated and worn PE equipment.		£2000	
Greater organised physical games at break and lunch, which can be conducted safely on school playground		New playground barrier system purchased in order to section off parts of the playground for ball games. This will allow children not participating and younger children to be kept safe whilst older children have a designated space in which to be active		£1500	
New PE equipment has helped to raise the profile of the subject and excitement of children during lessons.					Older children to act as sports ambassadors to organise a variety of games which can take place in that area.
Impact will be known during the course of the next academic year.					
<b>Key indicator 2:</b> The profile of PESSPA being raised across the school as a tool for whole school improvement					Percentage of total allocation:
					%
<b>Intent</b>		<b>Implementation</b>		<b>Impact</b>	

Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Improve fine and gross motor skills of children across the school. It has been noticed that some children have poor posture and struggle with core stability.	Funding used for equipment to allow interventions to start in 2020-2021. Equipment consists of balance boards and bikes for EYFS in order to build core skills from a young age.	£200	The aim is to see greater core strength and fine and gross motor skills in use in all subjects such as art and design, but also to create better quality handwriting across the school in tandem with a new handwriting scheme.	Children to be targeted during PE lessons and general school lessons for consistent interventions.  New equipment in EYFS to help provide strong foundations moving forward from when children first enter school.

<b>Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport</b>				Percentage of total allocation:
				%
<b>Intent</b>	<b>Implementation</b>		<b>Impact</b>	2%
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Develop subject knowledge through the teaching of Real PE.	Real PE is scheme bought in for all trust skills and regular training days and evenings take place. PE lead attends training.	£0 Through NET	Change in the way PE lessons are taught and confidence of staff is growing when teaching the scheme. This allows children to get more out of the lessons and have access to high quality teaching and learning. Training has helped lessons to have a more collaborative and peer coaching approach between pupils in order for them to help each other to improve skills.	
<b>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils</b>				Percentage of total allocation:
				%
<b>Intent</b>	<b>Implementation</b>		<b>Impact</b>	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:

<p>Aim to allow all children to take part in different physical activities without fear. Increase SEN access to sport and activity</p>	<p>New equipment including activities and sports in which SEN children can access bought. These include indoor kurling and Boccia.</p>	<p>£300</p>	<p>Impact unknown as yet as due to closure of schools equipment hasn't been used.</p>	
--	--	-------------	---	--

<b>Key indicator 5: Increased participation in competitive sport</b>				Percentage of total allocation:
				%
<b>Intent</b>	<b>Implementation</b>		<b>Impact</b>	3%
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Woodford to enter more inter school tournaments to give children experience of competitive sport outside of school	Register with SSP competitions	£300	Competitions entered but did not take place due to closure of schools during COVID 19.
